

Activity 11 - Stories from around the World!

In Year 1 and Year 2, we have been reading and learning about stories from around the world. Year 1 have been reading stories including 'Granny went to market'.

Year 2 have read a range of stories including 'Jamil's Clever Cat' (Bengal tale), 'The Magic Paintbrush' (China), Tinga Tales and Anansi tales (Africa).

These are just some of the stories that we have read and that have inspired our children with their own character profiles, using drama and retelling our own tales from these countries. We have really enjoyed reading and learning from these stories and have learnt a lot about the countries that they are from.
