

## Activity 14 - World Book Day

We always enjoy celebrating World Book Day and this year has been no exception. This has linked in nicely with the school's Reading Project that we started at the beginning of the year. Reading and books has been a huge focus and we want to see your child reading all the time (not just on World Book Day). We have also spent a lot of money on dual-language books in many languages including Urdu, Romanian, Polish, Italian, French, Spanish, Portuguese and Punjabi. If you would like one of these books to read with your child, please speak to your child's class teacher.
