

Activity 7 - London and the UK

Year 1 have been learning about our capital city, London. They have been fascinated with London and have learnt about London through stories and in our Geography lessons. They have learnt about the different landmarks in the capital city. They even completed a fantastic D.T. project and created their own London landmarks. We also created our own postcards from London and reports. Learning about London has been a good introduction to learning about the UK - later this year, Year 1 will be learning about Scotland, Northern Ireland and Wales.
