

Activity 8 - French

Bonjour!

Unfortunately, we cannot do French Club after school this year because of Covid. However, we have still been able to learn a few words and phrases in class. Year 2 have also been writing to children in a school just outside of Paris. We have written letters to them describing ourselves and about Watford. We have seen photos of their school and their classroom. We were surprised that the children do not wear school uniforms and their class sizes are a lot smaller. It has been fun learning some French words and communicating with the children in France.

Salut!
